Communication

Discord server / Matrix room

> Main channel / room

Discord rooms are bridged to Matrix

Default Matrix client: app.element.io

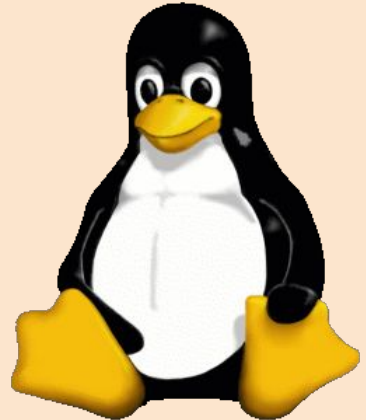

Weekly meetings

Schedule can be found at: `github.com/gnulug/meetings`

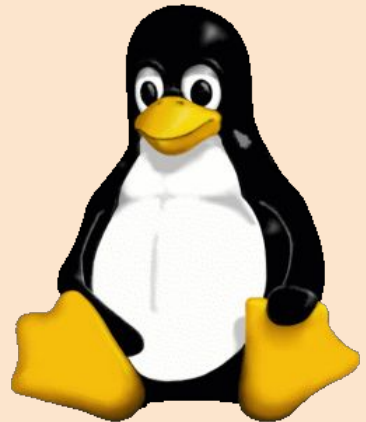

> Look for 2023f/schedule.md

Every Wednesday 6pm - 7pm at Siebel 1302

What do we usually talk about?

- Usually will cover some news at the start
- Linux things - Shells, Text editors, distros etc
- Personal projects
- Specific OS/system topics
 - kernels, filesystems

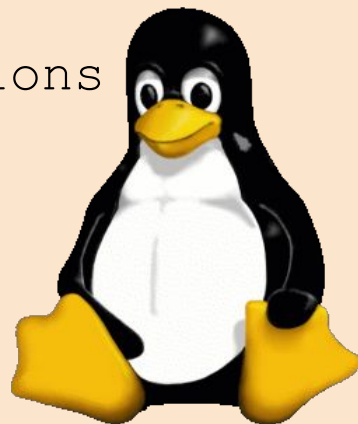

GLUG/Infra cluster

- Once upon a time, there was servers in Siebel 1303
- Servers belonged to ACM

<https://github.com/sigglug-illinois/acm-glug-cloud>

- Goal (for now): Generic container hosting
- Talk to them to find out more / ask questions
 - Nathan (pngdeity)
 - Sam (charmomium)

What is Linux?

- Operating system kernel

What is an OS?

- Interface between hardware and the programmer
